Tregony School Maths Curriculum Termly Overview

These tables show the units taught in each of the three terms in the academic year. For the NC objectives taught in each unit, please see the planning documents for each year group.

EYFS	
Term 1	Getting to know you Just like me! It's me 1, 2, 3 Light and dark
Term 2	Alive in 5! Growing 6, 7, 8 Building 9 and 10
Term 3	To 20 and beyond First then and now Find my pattern On the move

Year 1	
Term 1	Number – place value Number – addition and subtraction Geometry – properties of shape
Term 2	Number – place value Number – addition and subtraction Measurement – length and height Measurement – mass and volume
Term 3	Number – place value Number – multiplication and division Number – fractions Geometry – position and direction Measurement – money Measurement – time

Year 2	
Term 1	Number – place value Number – addition and subtraction Geometry – shape
Term 2	Measurement – money Number – multiplication and division Measurement – length and height Measurement – mass, capacity and temperature
Term 3	Number – fractions Measurement – time Statistics Geometry – position and direction

Year 3	

Term 1	Number – place value
	Number – addition and subtraction
	Number – multiplication and division
Term 2	Number – multiplication and division
	Measurement – length and perimeter
	Number – fractions
	Measurement – mass and capacity
Term 3	Number – fractions
	Measurement – money
	Measurement – time
	Geometry – shape
	Statistics

Year 4	
Term 1	Number – place value
	Number – addition and subtraction
	Number – multiplication and division
	Measurement – area
Term 2	Number – multiplication and division
	Measurement – length and perimeter
	Number – fractions
	Number – decimals
Term 3	Number – decimals
	Measurement – money
	Measurement – time
	Geometry – shape
	Statistics
	Geometry – position and direction

Year 5	
Term 1	Number – place value
	Number – addition and subtraction
	Number – multiplication and division
	Number – fractions
Term 2	Number – multiplication and division
	Number – fractions
	Number – decimals and percentages
	Measurement – perimeter and area
	Statistics
Term 3	Number – decimals
	Number – negative numbers
	Geometry – properties of shapes
	Geometry – position and direction
	Measurement – converting units
	Measurement – volume

Year 6	
Term 1	Number – place value
	Number – addition, subtraction, multiplication and division

	Number – fractions
	Measurement – converting units
Term 2	Ratio
	Algebra
	Number – decimals
	Number – fractions, decimals and percentages
	Measurement – area, perimeter and volume
	Statistics
Term 3	Geometry – shape
	Geometry – position and direction
