Multi Academy Trust
Our Mission, Vision and Values

Mission: The Roseland Trust provides outstanding education for our communities, where everyone succeeds.

Vision: To inspire a love of learning within environments that are happy, respectful and challenging, where everyone feels valued and able to reach their full potential.

Values: Kindness, Ambition, Responsibility.

Dear Parent(s)/Carer(s),

This week, I had the pleasure of accompanying Towan Class to their swimming session at Polkyth. Their behaviour was exemplary and I was impressed by their resilience and determination. Pupils are becoming much more independent when changing themselves and managing their equipment too! Next week, it is Porthcurnick's turn to swim; please ensure your child has their kit in school on Monday. Please can I politely request that all school uniform is named; this makes it much easier to locate lost items!

Thank you to our Year 2 parent(s)/carer(s) who attended our Year 2 SATs Family Learning session. We hope that you found this informative and reassured you that the assessments are not as scary as sometimes perceived!

Pupils have come in non-uniform today to raise money for Comic Relief and UNICEF's Ukrainian appeal. Thank you for your generous donations, we have raised £314.80 so far. The Gateway will be open until next week if you would like to donate. Thank you.

Our Year 6 pupils have spent the day working with Richard from 'Stay Safe' learning how to stay safe in real life and online, with strangers and people that we know; they had a brilliant day and have learnt a lot!

Please can we politely request that payments for swimming, camps, trips and school dinners are up-to-date. Thank you.

The Roseland Multi-Academy Trust is seeking interested parents, staff and members of our communities to sit on our two new Local Monitoring Committees.

Could you be one of our hidden heroes?

<https://www.theroselandmat.co.uk/wp-content/uploads/2022/03/Hidden-Heroes-booklet.pdf>

We are forming one primary focused Local Monitoring Committee which will serve Tregony Community Primary School and Gerrans School, and one secondary Local Monitoring Committee which will serve Treviglas Academy, Falmouth School and The Roseland Academy.

The deadline for applications is Monday 28 March 2022.

Find out more information by following the link: <https://www.theroselandmat.co.uk/hiddenheroes/>

If you wish to discuss the role or positions further please contact our Company Secretary, Mrs Laura Keam, on lkeam@theroseland.co.uk or on 01872 530675

Reminder:

As you will be aware, those families who are in receipt of specific benefits are eligible for Pupil Premium Funding. Although all Key Stage 1 pupils are entitled to a free school meal, some families should still apply for Pupil Premium funding, especially as Universal Free School Meals stop at Key Stage 2. Please see the link below to see if your child is eligible. If you need some support with this, please contact secreatray@tregony.conrwall.sch.uk.

Little Carne Nursery has very much enjoyed this week. We have been learning about Jack and the Beanstalk and they have enjoyed retelling the story using their own sound effects and planting their own beanstalks. The children also enjoyed their first trip to The Roseland Farm on Monday, where they learnt about the animals that live there. The preschoolers have been busy practising writing their names too. They will be coming home with their name practice sheets next week should they wish to continue this at home. Well done children; you've had a great week.

Towan Class have been learning about the life cycle of a frog. They have been focusing on the 'Oi Frog' book in English. The children have especially wowed me this week with their number bonds

and how enthused they are about their mathematical learning. On Science Day, the children were comparing their heights, making seed balls and looking at the features of a face.

Summers Class had a great time on Science Day investigating the statement 'Taller people have bigger hands'. They spent time measuring each other and their own hands, comparing results and coming to a conclusion. They found that this statement is not always true. Also, this week, they have enjoyed two swimming lessons. All of the children worked extremely hard and had a great time.

On Science Day, Porthcurnick Class were thinking about the problem of increasing traffic emissions. We conducted a manual traffic survey of the road outside school, using a tally chart. We then looked at Telraam, new technology which collects traffic data around the world, 24 hours a day. In history, we learned about the incredible discovery of the grave of the Amesbury Archer, the richest Bronze Age grave ever found in Britain.

Portholland Class have had a busy Science Week. In our science lessons, we investigated the volume in different places around school before plotting this data onto a line graph. On Wednesday, our school Science day, we learnt about what humans would need to live on Mars successfully. I was very impressed by their imagined creatures that could live on Mars, please look on our blog to see pictures of the animals we created.

Porthluney Class enjoyed Science Day. They focused on micro-organisms, making their own from Play Doh and, hopefully, are going to grow their own as part of our experiment! In PE, the children enjoyed making shapes in groups and starting their tennis lessons. In music, the class have started learning Vera Lynn's 'White Cliffs of Dover' - we will record our final performance in a few weeks.

Kate Douglass

We have now had three classes take part in swimming lessons. Well done for everyone that has made an improvement and to Towan Class for their confidence in the water. Next week, it will be Porthucurnick's turn. Please make sure that your child brings goggles as they are an essential piece of equipment and encourage children to put their heads in the water; they also protect their eyes from the chlorine in the water.

Miss K Mulroy
P.E lead

The School Council has supported us with deciding the cultures of our school. We have decided on Tregony's 'Three Rs' - ***Respectful, Responsible and Resilient.***

Other information

To help you identify eligibility, below is a link which guides parents on vaccinations for children aged 5-11 years who are considered to be at high risk from Covid.

https://www.gov.uk/government/publications/covid-19-vaccination-resources-for-children-aged-5-to-11-years/a-guide-for-parents-of-children-aged-5-to-11-years-of-age-at-high-risk?utm_source=8%20March%202022%20C19&utm_medium=Daily%20Email%20C19&utm_campaign=DfE%20C19

The Time2Move Holiday Programme is open to ALL young people and are FREE for those aged 5* to 16 who are on benefits related to Free School Meals. Activities will be delivered by Active Cornwall and partners to ensure all children in Cornwall who are eligible for Free Schools Meals will be offered activity during the three main school holidays or Easter, Summer and Christmas. Bookings for this can now be made.
