Dear Parent(s)/Carer(s),

On Thursday, we welcomed the charity 'Show Racism the Red Card', a charity that we support each year. They held a Key Stage 1 and Key Stage 2 assembly tackling racism. The assemblies gave the children the opportunity to both learn about racism and to demonstrate their knowledge.

Today, pupils and staff enjoyed a Coronation Tea Party to celebrate King Charles' Coronation on Saturday. Pupils tucked into a lovely picnic made by our amazing school cooks Susie and Kasha.

Next week is SATs week for our Year 6 pupils; we are all incredibly proud of how hard they have worked, not only during this past term but for all of their primary career and we wish them the best of luck. They are well prepared and ready for this and all we ask is that they try their best. We look forward to welcoming them, well rested and ready for some breakfast from 8.30 am each morning next week.

As we are in the Summer Term and we are fast approaching our school residential trips, please can you ensure that payments are made. We are requesting that a minimum of 50% of the total cost is made by Friday 26th May to secure your child's place. The remaining balance must be paid by Friday 16th June. Payments can be made on The Gateway. Thank you. If you have any questions, please feel free to contact us.

The Trust; including both Tregony and Gerrans schools, have many vacancies. Please check the vacancies part of the school websites.

This week, Towan Class have been looking at the human life cycle and how they have changed from starting in Reception in September. The children have also enjoyed exploring different materials to find out if they are waterproof and discussing what being waterproof means.

In science this week, Summers Class have planted some sunflower seeds. They learnt about how to plant a seed and what seeds need to help them grow. They are looking forward to seeing them grow over the next few weeks. Also this week, the children created 3D pictures using card in the colours red, white and blue, in celebration of the Coronation.

This week, Pendower Class have been practising their ball skills in PE. They have been throwing, catching and dribbling. In writing, the children started learning the story 'Grandad's Island'. They have been learning to retell the story using different storytelling actions.

In Porthcurnick this week, we retold the story of the Mermaid of Zennor from the perspective of the mermaid. In French, we have learned numbers to 12 and now know how to say how old we are. In art, we drew some sketches in preparation for making soap sculptures inspired by Barbara Hepworth.

This week, Portholland Class have started reading 'Egyptian Cinderella', a narrative based on the well known classic. After discussing the similarities and differences, they have started to create a storyboard of the narrative. They have also been learning a song about Ancient Egypt in two parts and are starting to add music using glockenspiels.

In history this week, the children in Porthluney Class have learnt about the swinging sixties, a period of huge societal change. The children were keen to learn about how life changed dramatically during this decade, especially for the young. On Thursday, Porthluney Class participated thoughtfully in a workshop led by 'Show Racism the Red Card.' This anti-racism, educational charity visits schools and organisations all over the country to educate people about racism. In the workshop, the children learnt about the importance of challenging stereotypes.

Have a lovely Bank Holiday and we look forward to seeing you on Tuesday 9th May.
