Multi Academy Trust
Our Mission, Vision and Values

Mission: The Roseland Trust provides outstanding education for our communities, where everyone succeeds.

Vision: To inspire a love of learning within environments that are happy, respectful and challenging, where everyone feels valued and able to reach their full potential.

Values: Kindness, Ambition, Responsibility.

Tregony School Three Rs

Respectful, Responsible and Resilient

Dear Parent(s)/Carer(s),

It is hard to believe that we are already about to enter our third week of this half-term. Next week is a big week for our Year 6s as they sit their SATs tests. Although I understand that pupils may be nervous, it is important to remember that they have all worked exceptionally hard and have tried their very hardest in their preparation for these. Your children should be very proud of themselves, as we are of them. Please take some time to relax with them, get some fresh air and encourage them to get plenty of sleep. We look forward to welcoming them to breakfast from Monday - Thursday at 8.30 am.

This year, Coerhays Estate are supporting Tregony Primary School's fundraising when holding their Charity Summer Fete at Coerhays Castle on 12th June 2022. Money from the raffle is donated to local charities of which Tregony School is one. In the past, schools have benefited from donations in excess of £1000. All pupils received a book of five raffle tickets. Each ticket costs £1.00. We are asking that you endeavour to support this by either buying the tickets or selling them to family and friends. If you are able to sell more than one book, we have more in the school office! Please can all tickets (sold or unsold) be returned with the money, to the office by Monday 23rd May at the latest – thank you.

Little Carne Nursery has enjoyed a lovely week learning about holidays. They looked at ways to travel, planned their dream holiday and thought about what to pack in their suitcases. They have also enjoyed colour mixing with paint and coloured water and worked very hard to recognise numbers to five as well as practising to write their name. We are very proud of them all.

Towan Class have spent this week being inventors. They have been designing their own bike with special features linked with our book of the week 'Mrs Armitage on Wheels'. In maths, the children have been counting and learning different strategies for larger numbers of objects. The children have especially enjoyed creating their own marble effect pictures using oil and food colouring.

Summers Class had a visit from Mark's Ark yesterday. The children were able to meet Terry the blue-tongued skink, Sophie the skunk and Emma the barn owl, who delighted the children when she escaped from Mark and flew to the top of the hall! Mark spoke to the children about habitats and endangered animals and he was very impressed with how knowledgeable the children were.

Porthcurnick Class have been writing explanations on the complex process of how our bodies digest the food we eat. In art, we have been working on our drawing skills by looking for geometric shapes in what we are drawing and, in music, we learned what a minim is and played a harmonic ostinato on the glocks.

Portholland Class have been busy with their new art project entitled *Every Picture Tells a Story*. In this project, the children will be learning about significant pieces of art and the story that they tell. Last week, we explored and then recreated a painting by David Hockney. This week, we explored *The Dance* by Paula Rego; the children used photos of their own families to recreate a special memory in Rego's style.

Porthluney Class have spent this week designing their own creatures to live on the fictional planet of Pandora and started to write non-chronological reports detailing their anatomy, diet and habitat. The year 6s also completed their final arithmetic paper before their SATs and are ready and raring to face the challenges that next week may bring.

Kate Douglass

Headteacher

This week, KS2 pupils have been practising sprinting and baton handovers in preparation for Sports Day next half term.

The next sporting competition is the Cluster Cross Country for KS2, which will be held at The Roseland on their top field. Emails will be sent out next week to parents of pupils selected to take part.

Miss K Mulroy
P.E lead

The School Council has supported us with deciding the cultures of our school. We have decided on Tregony's 'Three Rs' - **Respectful, Responsible and Resilient**.

Other information

There have been concerns over Nivea, children's sun cream, after several people raised concerns that the brand's Sun Kids Protect & Care range now listed almond oil as one of its ingredients. Please see the article below and consider this when bringing and applying suncream to your children.
