

Friday 23rd July

Dear Parent(s)/Carer(s),

We have, unbelievably, reached the end of another challenging year - but we got through it! We have had more lockdowns, periods of isolation and uncertainty. We have all faced numerous challenges. On the positive side, we have shown a great deal of versatility, creativity, resolve and, above all, teamwork. Both the school and pupils have found many new and exciting ways of working, some of which we will continue with in the future. On that note, it is expected that schools will make a full and normal return to school from September, and this is something we all wish for from September. Our children have already missed out on so much and we are ever optimistic that this will happen. However, I have decided not to communicate how we will return to school on Tuesday 7th September until we are further into the school holidays. I am reticent at this point, due to the rising Covid cases and the ever changing guidance. So please check your emails, the school website and the Facebook page for an update in the latter part of the Summer holidays when you will be fully informed. Thank you.

Sports Day was a great success and, despite the exceptionally hot weather, pupils showed true team spirit, supporting their friends and cheering each other on. This week has been very busy; pupils have taken part in a fun morning of nerf guns, zorbing, archery and dodgeball and enjoyed ice-creams in the sun. We have recorded our end of year assembly (please see the link) and held a socially distanced, outside Year 6 leavers' evening. Farewells are never easy and we wished our Year 6s the best of luck as they move on to their secondary education. We also said goodbye to Mr Marriott as he starts a new career in farm management and Miss Jeanney, who is relocating to Devon. We all wish them the best of luck and will miss them both!

**Our Summer Assembly:**
