

Friday 29th April

Dear Parent(s)/Carer(s),

Our virtual parents' evening was held on Tuesday and Wednesday evening. Thank you to all of those who attended. The technology had a few minor glitches but it was largely successful! If you could not attend or had technology issues, we will contact you to arrange another appointment.

We have welcomed another three families to our school community and as usual, our children have made the transition for Ben, Toby, Maxim and Katia warm and welcoming.

Internet safety

To help your children navigate their rapidly growing digital lives, whilst at the same time allowing them to be independent digital users, we are running a special live, virtual internet safety presentation on Tuesday 11th May at 7pm (On Zoom). During this 60min session, Richard from The Stay Safe Initiative CIC, will be looking at young people's digital lives; exploring what they are doing online, understanding the risks, and providing straightforward help and advice to keep everyone at home safe.

Fundraiser

We have now signed up to 'Empties Please'. Please bring your empty ink cartridges and help us to raise money for the school. The recycle bin can be found in the front entrance of the school. Thank you. More information can be found <https://www.emptiesplease.com/schools/>

Curriculum and Learning

Don't forget to look on your child's/children's class page for up-to-date spelling lists, homework and class letters. To facilitate learning conversations at home, please view the latest knowledge organisers for your child/children in each area of the curriculum. These can be located on the website, by clicking on the 'Curriculum' tab on the top bar. Then, scroll down and click on the 'Knowledge Organisers' tab, and find your child's class. The knowledge organisers for each subject can be found.
