Multi Academy Trust
Our Mission, Vision and Values

Mission: The Roseland Trust provides outstanding education for our communities, where everyone succeeds.

Vision: To inspire a love of learning within environments that are happy, respectful and challenging, where everyone feels valued and able to reach their full potential.

Values: Kindness, Ambition, Responsibility.

Dear Parents/Carers,

There was a real excitement today as the whole school, apart from our nursery, watched The Coods 2 at Truro cinema. As usual, behaviour was excellent and pupils were great ambassadors for our school. Our Nursery stayed and enjoyed watching a Pantomime in the hall. They gave in their tickets, visited the refreshment stall and used money to buy their sweets and popcorn.

Next week is busy with Nativity plays, parties and Christmas dinner! I sent an email out earlier this week with all of these key dates and information as I know how busy this time of year can be!

Thank you to those of you who have donated raffle prizes; we would be grateful for any more donations, as we would like to raise money for some extra treats for our pupils! The Gateway is now open to purchase raffle tickets.

Mrs Kirby is now taking bookings for wrap-around-care next half-term. Sessions need to be paid for in advance and get booked up quickly. Email secretary@tregony.conrwall.sch.uk to book sessions.

For all of our Nursery pupils, who are due to start school in September 2022, the cut off date for applications is 15th January. Please use the link below to make your application for your chosen Primary School. We strongly advise that you do this sooner rather than later as late applications can lead to complications, including not getting a place at your preferred school.

Little Carne has had a super, busy week getting ready for our Nativity next week. They are very excited to show you all. They have also been busy with lots of Christmas crafts and writing letters to Santa.

This week, Towan Class have been busy showing me how amazing they are with their phonics sounds. They have also thoroughly enjoyed practising their Nativity play. In maths, we have been looking at christmas addition, numbers to 8 and building christmas models.

This week, Summers Class have been busy planning and writing short stories, with a fruit or vegetable superhero as the main character. They have created characters such as 'Carrot Top', 'Deadpool Tomato' and 'Super Pineapple' and then written their own stories whereby the superhero saves other fruits or vegetables from an evil character. They have also been practising very hard this week for their Christmas play 'The Big Little Nativity', which they are looking forward to performing next week.

The highlight of Porthcurnick's week was a live video call with children in Kafunjo, a village in Uganda, not far from Bwindi rainforest. We asked each other questions, sang to each other and even danced! Their primary school and orphanage have been set up with donations from all around the world - we will now think how we can raise money for them too. It was a magical experience. You can see some short clips on Porthcurnick's blog. Thank you to Sara Brunton for organising this linkup.

Portholland Class have been busy writing animal origin stories this week inspired by Rudyard Kipling's Just So Stories. Examples include how the sphinx cat changed, how the mud puppy got its frills and even how the platypus got its duckbill. We are looking forward to finishing these stories next week.

Porthluney Class have spent the whole week researching, designing and making prototypes of Ancient Egyptian shadufs. We'll be making them next week ;keep an eye on our blog for some pictures.

Kind regards

Kate Douglass

Headteacher

This week, pupils have been assessing themselves in their sport units and creating next steps. It has been great to see them taking part in mini matches, showing great team work. Portholland finished their dance unit with an Irish Crop Circle dance and performed it to Porthcurnick class. They were amazing!

Value of the week

E-safety and Internet safety

We have noticed that some pupils are referring to the Netflix television show 'Squid Games'. This show is rated a '15' and should not be known to any of our pupils. Below is a link to some really important information about the show and its risk to young children.

We have had some parental and public concerns regarding road safety and especially children riding bikes in our community where there have been many near misses. Please see a link to a road safety document which may be used when talking to your children.
