Tregony School Three Rs

Respectful, Responsible and Resilient

Dear Parent(s)/carer(s),

Summer has truly started this week! Along with the beautiful weather, pupils have enjoyed various trips, which capitalise on the beautiful area in which we live. They have visited the beach for geographical studies, been to Woodland Valley Farm and Beaver Trust, been to the church as part of their Religious education and participated in surfing lessons. Please can any photograph orders be returned to the school office by Tuesday- thank you. On Tuesday, pupils will be spending the day with the teachers and peers that they will be with in September. Pupils should arrive at the appropriate class at the normal time. Pupils who will be transitioning to The Roseland Academy should arrive at the school at the time specified on the separate email. Don't forget to look at the vacancies part of the school and Trust website. All schools, including Tregony, have vacancies.

Little Carne Nursery have really enjoyed their week this week. Exploring nature in our outdoor area and exploring pirates. The children made some fantastic boats independently and even filled up a

water container to see if they would float. Please can we remind all parents to bring all library books back to school next week. We have a lot missing.

Towan Class have been discussing what a healthy meal looks like and creating their own lunch boxes. During child initiated play, the children have loved using our new large gross motor resources to make different models of transport and houses. In PE, the children have enjoyed practising their sports day races.

This week, Summers Class have been busy writing the story of 'The Disgusting Sandwich' and have produced some wonderful writing. They are now looking forward to changing the story and writing their own version next week. Also this week, they have been creating some art work through weaving paper.

Porthcurnick Class visited Woodland Valley Farm this week to see their organic herd of cows and where the beavers introduced in 2017 now live. It was fascinating to see how they are changing the landscape with their dams and are subsequently preventing further flooding in the Ladock area. In art, the children worked on their shading skills, learning to hold the pencil further down and shading in one direction with no gaps.

Portholland Class visited Carne beach on Tuesday. The children enjoyed rock pooling – they even found a few crabs. As well as rock pooling, the children made their own beach art and completed an A-Z beach hunt. Their behaviour was excellent and the children received a whole-class certificate as a result.

This week, Porthluney Class has been writing a conversation based on the short animation 'Replay'. They have worked hard to ensure that their speech moves the action forward and is punctuated perfectly - well done! It has also been a busy week in the sun for those that enjoyed our Surf Day and sailing. Everyone showed great skill and determination and, most importantly, had a lot of fun!
