Our Mission, Vision and Values

**Mission:** The Roseland Trust provides outstanding education for our communities, where everyone succeeds.

**Vision:** To inspire a love of learning within environments that are happy, respectful and challenging, where everyone feels valued and able to reach their full potential.

**Values:** Kindness, Ambition, Responsibility.

Dear Parents/Carers,

This week has been very busy! We have recorded our Harvest Festival performances and pupils from our School Council have delivered food boxes to some of the older members of our community. They were very grateful and thank you for your kind donations. You can view our Harvest Festival Assembly using the link below:

Pupils and staff wore red today, to raise money for the charity 'Show Racism the Red Card'. On Wednesday, Year 6 parents and pupils were visited by staff from The Roseland Academy, to talk about pupils' transition from primary to secondary school. I have attended a two day Primary heads' Conference, which is always a good opportunity to network and learn from some inspirational educationalists and support the school in continuing to improve.

On 5th November, Key Stage 2 pupils will be participating in a West End Musicals Workshop and Porthcurnick Class will be visiting the Eden Project on Thursday 4th November, where they will take part in a Rainforest Workshop. Please can we politely remind you that The Gateway is open for payment for these events. Thank you.

We say a fond farewell to Judith, who has been the acting manager for our nursery. After half-term, we welcome Mrs Emily Wood, as our permanent nursery manager. Mrs Wood is a qualified teacher and will be sending an introduction email to our nursery parents very soon. We would also like to congratulate Mickaela Tidball on her role as deputy manager. If you have any questions or queries over the half-term, please refer the to [mtidball@tregony.cornwall.sch.uk](mailto:mtidball@tregony.cornwall.sch.uk) or [head@tregony.cornwall.sch.uk](mailto:head@tregony.cornwall.sch.uk).

In Nursery this week, we have been looking at people who help us and also thinking about what job we might like to do. Our role play area has transformed during the week from a hospital to a police station to a post office and we have dressed up in costumes to represent the different jobs.

This week, Towan class have been investigating lots of different changes of states for example; ice melting. They have looked at how we grow up and the different stages of development. The children especially enjoyed music this week, where they had their own scarf and had to dance/move to different types of music focusing on the pitch and tempo.

This week, Summers Class have been learning about harvest and the different ways that harvest is celebrated around the world. They enjoyed performing their retelling of 'The Enormous Turnip' to the rest of the school in our harvest celebration assembly. They have also had Mr Honour teaching them for the first time this week as he started his four weeks of teaching practice.

In Porthcurnick Class, we have been doing more body percussion, learning a routine based on boom (chest), clap, snap (fingers) and have started to invent our own. In French, we are learning how to ask and answer a question about what classroom item we have - Tu as une gomme? Oui, j'ai une gomme or Non, je n'ai pas de gomme.

This week, Portholland Class have been exploring the poem The Listeners by Walter de la Mare. The children enjoyed the spooky theme and enjoyed the challenging vocabulary in the poem. In science, the children have continued to investigate materials; they explored the ability of materials to insulate sound.

Porthluney Class have had a very musical week, learning how to sing a two-part song and accompany it with their own tuned instruments; this is on our class blog for you to view. The class have also completed creating their very own game on Scratch.

I hope you all have a wonderful half-term and that we have some much needed sunshine. We look forward to welcoming children back on Tuesday 2nd November, as the school is closed for staff training on Monday 1st November.

Kind regards

Kate Douglass

Our School Council spent this morning distributing our Harvest Festival donations around the village. Thank you everyone that donated.

Our School Council are asking for their fellow Tregony School pupils to take some time this half term to do a small litter pick in their local area to help keep our beautiful countryside and seaside clean. Please do send me any pictures of your child/ren taking part in a litter pick and I will put them on facebook to show everyone their great work..

Our next meeting will be on Monday 8th November.

You can find the minutes from our meetings on the school website under the 'about us' heading.
