

Friday 24th September 2021

Dear Parents/Carers,

This week, in Preschool, we have been sharing the story, Handa's Surprise, which has involved beating drums, exploring exotic fruit and on 'Tasty Tuesday', making fruit kebabs. We have discussed the differences between our country and a country like Kenya.

Towan Class have loved exploring the woodland this week. They have been very interested in our garden area, planting and digging. In English, we have been drawing self-portraits and attempting to write our name.

This week in Summers Class we have been getting excited about designing and making our own pizzas. We have thought about our favourite types of pizza and whether or not pizzas are a balanced, healthy meal. We have also been tasting bread to see which is our favourite and which type of bread would make a good base for our pizzas.

In French this week, Porthcurnick Class have been learning classroom instructions. In art, we were amazed how many different shades of green paint we could get from just white and green and in netball we can now use the chest pass, the bounce pass and the overhead pass.

Portholland Class have been working hard in all of their lessons. In our geography lesson, we explored where in the world our food comes from. We were fascinated to learn that the food we eat comes from dozens of countries all over the world including South Africa, Italy, Spain and even Peru and Columbia. Next time we are in the supermarket, we are going to look at the packaging of the food we buy to see where it comes from.

Porthluney Class have started their art topic, based on creating drama through sculpture. This week, they have also demonstrated their learning in science by describing the function of the heart and completed their first piece of writing in English.

On Thursday 7th October we are having a special Italian day menu for school dinners. Please see the end of the newsletter for more information.

Samaritan's Purse is a non-profit, Christian organisation providing support, emergency relief and development assistance to people in need around the world. If you would like to support their Christmas shoebox charity, please request a leaflet from the school reception.
