Dear Parent(s)/Carer(s),

Yesterday, our pupils enjoyed performing songs and poetry to their families in our Harvest Festival. Thank you so much for your generous donations towards food hampers for some of the more mature members of Tregony. These were delivered by members of the school council and very much appreciated. Thank you also for the donations of tins and packets for St Petroc's and the Food Bank.

On Thursday, we were visited by seven of our colleagues from across The Trust, Mr Challis our CEO, local governors and staff from other primary schools including primary heads. They were conducting a peer review on reading across the school and I am delighted to report that they were 'impressed' by the quality of teaching from all staff, including teaching assistants. They observed that pupils were hard working, engaged, following strong school routines, polite and happy to talk about their love of reading. I am incredibly proud of our pupils and this is such a positive end to our half term and an acknowledgement of the hard work of our staff and pupils.

We are delighted to announce the safe arrival of Miss Worledge's baby, a bouncing baby boy named Reuben. He was born on Sunday weighing 7lbs 11oz. We are all very excited to meet him and are happy to report that mother and baby are happy and healthy.

We look forward to welcoming you back to school on Monday 31st October, when we will be having our school photographs. Please also sign up for our face-to-face parents' evening on Wednesday 2nd November, we are looking forward to welcoming all of our parent(s)/carer(s) to this very important meeting. There is a list of dates and events below so you are aware of what is happening during the lead up to Christmas. Dandelion Learning is offering free online learning to parents, helping you to get to grips with grammar. It is a 45 minute online event and can be booked using this link.

Helping Parents with Home Learning: Getting to Grips with Grammar

In this session we will explore:

- Grammatical terminology. Consolidate your understanding of word classes including nouns, verbs, adjectives, determiners, conjunctions, pronouns and adverbs.
- Ways to support your child at home with their understanding of grammar.

This 45 minute session is free to all parents who have children at primary school.

Monday 30th January 2023 7pm – 7.45pm

Little Carne Nursery have enjoyed listening and retelling the story of The Little Red Hen and exploring harvest food within their play. They have also been busy learning to recognise and spot patterns. As the weather is getting wetter outside, we are seeing a lot of children coming into Nursery wearing Wellie Boots. Please can we ask that they always have a pair of shoes with them to change into inside Nursery, as it is not practical for inside play and government guidelines advise that it is not good for their feet due to lack of support of the ankles. We are happy to assist the children to change into their shoes once at Nursery.

This week, Towan Class have been learning about different houses in Tregony and comparing them with others from around the world. In maths, they have started to learn about subitising and creating pictorial numbers. Our text of the week is Room on the Broom. The children have been freeze-framing and learning parts of the story. We were very proud of the class yesterday when they performed for the first time in front of an audience.

This week, Summers Class have been learning about the senses of hearing and taste. They enjoyed tasting different fruits and describing what they tasted like, and played a listening game, identifying

Find us on Facebook by searching: **Tregony Community Primary School**

sounds they might hear around the home. Also this week, they have learnt about different toys from the past and have learnt and written about the festival of Harvest.

This week, Pendower Class finished their history unit, learning about the Great Fire of London. They looked at the consequences of the fire and decided if the fire had made London a better or a worse place. Most of them decided the fire helped London become a better place to live. They have also been writing a set of instructions after receiving a letter from the wolf from our English text 'Mr Wolf's Pancakes'. He asked the children to write a set of instructions to help him make some delicious pancakes because he has lost his cookbook!

In Portholland class pupils had a great time in Forest School. They learnt why the leaves on trees turn colour and why they shed in winter and used this experience to produce artwork which natural items which are then returned to the environment.

Porthcurnick Class have created their own musical motifs and used graphic notation to write them down. In art, they made viewfinders and used these to 'zoom in' on different parts of a photograph of a flower, then used their skills of observation and mark making to make thumbnail sketches. In computing, they have finished and then presented their Google Slides presentations about rocks and Pompeii to the class.

Porthluney Class has been finishing this term's art topic this week; the children have been learning about photography as an art form. In one lesson, the children created photomontages; the children demonstrated amazing creativity and imagination in their work. In another lesson, the children explored the stylised photography of Derrick Boateng. In their final lesson, the children explored the photographic portraits of Chuck Close and they enjoyed making their own artwork in this artist's style.

The School Council has supported us with deciding the cultures of our school. We have decided on Tregony's 'Three Rs' - ***Respectful, Responsible and Resilient***.

Congratulations to our newly elected members:

Pendower - Noah, Charlie
Porthcurnick - Chester, Tilly
Portholland - Delia, Isaac
Porthluney - Eva, Katia

This week we had our first meeting. The children have been thinking about how we can improve our outside area and break times. They had some great ideas!

For your information, the majority of letters will be sent via email so please check your inbox frequently! Thank you.

A banner for 'E-safety and Internet safety' featuring various digital icons like a camera, social media profiles, a globe with 'SOCIAL MEDIA' text, and safety-related symbols like a padlock and a shield. The text 'E-safety and Internet safety' is written in a large, red, outlined font across the center.

E-safety and Internet safety

During our mini-police sessions last week with Porthluney Class, adults were surprised to learn of a social media platform called Discord. This is a platform aimed at teenagers but some members of the class knew about it and were using it. However, it is aimed at teenagers and has many associated risks. Please follow the link below to find out more information and the associated risks.
