Dear Parent(s)/Carer(s),

What a busy term we have had! Today's assembly was packed full - thank you so much for attending.

As you are aware, The Roseland Trust is restructuring the primary schools from September. I am very privileged and excited to be appointed as Executive Head of the primary schools from September. This is an exciting new step that has already started its transition, in continuing the development of both schools to deliver the Trust's mission of an outstanding education for all. Moreover, I am very pleased that Mr Richards was the successful candidate for the role of Primary Deputy Head of the primary schools.

Little Carne Nursery have enjoyed celebrating Easter this week. They joined with Towan for an Easter craft and cooking afternoon and enjoyed a celebration with parents yesterday, singing songs and joining in with a story. They have all had a fab term and we look forward to seeing them in two weeks.

This week, Towan class had great fun with their swimming lessons. They impressed us with their independence and really had so much fun. I am also very proud to say that the instructors commented on how Towan was the best Reception class they have ever taught. Well done Towan. The children have also thoroughly enjoyed learning all about the Easter story.

This week, Summers Class have had great fun at their swimming lessons. They have all worked hard with different aspects of swimming and all have shown great improvement. Well done.

This week, Pendower Class spent the afternoons at Polkyth Leisure Centre. The children have made fantastic progress with their front crawl, backstroke and breaststroke.

This week, Porthcurnick Class have been learning about the Alps in geography and created an informative leaflet for people to use if they went on holiday there. In science we put into use our knowledge of 'changes of matter' by adding heat to a solid (chocolate) to bake with as a liquid, before changing it back to a solid by cooling. It was a very tasty experiment!

This week, Portholland have been designing and sewing their own cuddly Easter eggs; have a look on our blog for pictures. They have also been writing in role as a Mars rover after designing their own. They have worked hard to include fronted adverbials, relative clauses and modal verbs!

This week, the Y6 children in Porthluney Class have been grappling with some incredibly tricky maths. The children have been learning how to calculate angles on a straight angle, around a point and within triangles before bringing this together to solve problems. They have demonstrated excellent perseverance and resilience when tackling this tricky learning.

I wish you a very happy Easter with your families and look forward to seeing you on the 17th April.

We know that times are particularly tough and Cornwall Cricket are keen to help children have the chance to be involved wherever possible!

Cornwall Cricket have created a [Hardship Fund](#) where parents/carers can apply for fully subsidised places to become an All Star or Dynamo!

Active Cornwall have launched the Easter Time2Move Holiday Programme which aims to support families during the school holidays to ensure children have access to fun activities, healthy food and physical activity and to address those particular challenges for some families because of increased costs such as food, childcare and reduced income.

It brings together providers across Cornwall who put on a wide range of diverse activities that are fully funded for those eligible for benefits related, free school meals but available to all children aged 5 to 16.

Easter activities will run from April 3rd to the 7th and the 10th to the 14th and all children that attend will receive a healthy meal.

The Time2Move Holiday Programme for Easter 2023 is live. The programme offers fun physical activities, games and wider activities plus a funded meal for every child. All children are welcome to attend, and it is completely funded for children that are eligible for benefits-related Free School Meals. As a parent or guardian of a child eligible for benefits related, free school meals you will need your child's unique code in order to access the activities for free. You can access your child's code quickly and easily at: [www.cornwall.gov.uk/time2move](http://www.cornwall.gov.uk/time2move) Once you have this code you can search and book on activities here: [www.activecornwall.org/T2MHolidayProgramme](http://www.activecornwall.org/T2MHolidayProgramme) The activities are all delivered by approved providers with the main focus on fun and enjoyment. So please search for activities near you, book your child's place and we look forward to seeing your child over the Easter holidays. For any questions regarding the Time2Move Holiday Programme please email [Time2Move.HolidayProgramme@cornwall.gov.uk](mailto:Time2Move.HolidayProgramme@cornwall.gov.uk) or phone 01872 323335. Yours faithfully The Time2Move Holiday Programme Team
