Dear Parent(s)/Carer(s),

As you may well have heard, The Roseland Academy has closed due to the health and safety implications of a lack of staffing. Currently, Tregony Primary School will continue to be open as usual. All of our staff are fit and well and therefore a lack of staffing is not a risk to our pupils' health and safety at this time.

We are constantly reviewing our risk assessment regarding Covid-19, and today, we have decided to take additional action by cancelling all after school clubs and visiting music tutors from Thursday 19th March. This does not include wrap around care as we understand the urgent need for childcare at this time.

By now, all pupils will have been given a Google Classroom account. However, there will be no work set on this unless the school has an enforced closure. In the event of a school closure, teachers will be delivering daily lessons this way. It will be an expectation that all pupils complete this work and this will be monitored by teachers. Therefore, if you do not have access to a computer or device to facilitate this, please let your child's class teacher know as soon as possible so we can provide alternative work via email or post. We suggest that you check your child's account works at the earliest opportunity so that we can help you resolve any problems you may encounter.

Please see the link below for more information on vulnerable groups who may be at increased risk of exposure to the virus.

<https://www2.hse.ie/conditions/coronavirus/at-risk-groups.html>

Once again, thank you for your cooperation and support with the ever changing situation. We will continue to update you via letters, which will also be placed in the 'news' tab on our school website, and Facebook.

Yours sincerely,

Headteacher

Kate Douglass
